

ELYWL2-302 series

LED Surface Mount Wrap Light

Energetic Lighting's surface mount wrap light delivers a soft light profile to brighten up any application. Available in a 2-ft length, this versatile light can be used for general room lighting, or as a functional work area light. Installation is quick and simple when mounting into standard ceiling junction boxes. Constructed with a durable aluminum housing body and LED lifetime rating of at least 50,000 hours, this rugged wrap light is designed for many years of reliable operation.

Features

- No UV or IR radiation
- Modern and efficient design
- Mercury-free construction
- Suitable for Damp Location use
- Easy and secure installation

Applications

- Architectural decor
- Overhead task lighting
- Ambient room lighting
- General lighting

Other color temperatures may be available by special request.
