FMS01R16E92750-TF-BN

14" Slim Flush Mount Fixture • 5 Year Limited Warranty

Overview

Energetic Lighting's FMS01R Flush Mount has 3 color temperatures ranging from 2700K to 5000K, including soft white/cool white/daylight. You could preset a color effect before mounting. Selectable colors meet multiple indoor applications.

This flush mount ceiling light compatible with triac dimmers (10% to 100%). It's convenient for you to create favorite brightness and control feeling of your space. High color rendition can restore the true colors of objects to the maximum, and get more vivid and accurate lighting effect.

It is suitable for hallway, kitchen, bedroom, living room, bathroom, basement, closet, stairwall, washroom and entry etc.

Features

• Ez-CCT field -selectable CCT -2700K(std), 4000K & 5000K @>90 CRI

• The thickness of the whole lamp is only 1.4in. It is simple, and neat.

• Metal lamp body with glass lens makes the flushmount modern and fashionable.

• Lifespan of this LED flush mount ceiling light is average 50,000 hrs.

Applications

• Residential and Multi-family
• Commercial and Retail
• Office and Hallway
• Healthcare and Hospitality
• General Indoor Area
